- **Roasted Veggie Pasta** — Cut the following veggies into bite sized pieces: 1 red onion, a large red pepper, 1 pound of fresh asparagus, 2 cups button mushrooms, and 2 tomatoes. Mix the following spices to toss in with the veggies: 1 tsp each of garlic powder, Italian spice, and chili powder; ¼ tsp. of salt and pepper. Arrange the veggies on a baking tray lined with parchment paper or a silpat, and roast at 425 for 12-15 minutes until just tender. Serve over whole-grain pasta and jarred, oil-free pasta sauce. Top with Faux Parmesan.
